

Queen's University
Department of Pathology and Molecular Medicine
The Dr. M. Daria Haust Pathology Summer Studentship
Application Form

Deadline Date - February 15, 2025
**** All fields must be completed****

The Dr. M. Daria Haust Pathology Studentship funds one position for Queen's medical students in the summer immediately after their first or second year of medical school. These students undertake research, clinical, or academic endeavours within the Department of Pathology and Molecular Medicine at Queen's University.

Student Information

Name: _____ 1st or 2nd Year: _____

Queen's e-mail address: _____ Student ID #: _____

Kingston mailing address: _____

Applicants must arrange suitable projects with a Faculty supervisor

Will you be receiving any other form of funding for this project? *Yes _____ No _____
**If yes, please describe and attach supplementary documentation with your application package.*

In addition to this application form, the following attachments **must** be included:

1. letter of application
2. current curriculum vitae
3. current transcript of your academic record
4. letter of reference from a professor of your choice

Please submit your complete application electronically to [Micheline McDonald](#) no later than February 15, 2025. Consideration will be given to:

- Academic Achievement
- Interest in Pathology
- Merits of the proposed research/clinical work/academic endeavor

Research proposals must meet relevant legal requirements for protecting researchers, human subjects, the health and safety of the public and the welfare of laboratory animals; comply with relevant University and granting agency policies and regulatory or legal requirements that relate to the conduct or reporting of research and scholarly activity; and, be conducted under appropriate approvals, permits or certifications.

The recipient(s) will be expected to present findings or learning experiences to the Department in the fall of 2025. A mutually convenient date to be determined. Recipients will also be requested to keep the Haust family (via the department) informed of other opportunities the studentship has provided. An Opportunity Update form can be found on our [website](#).
